SHOE COVER DISPENSER

Shoe Cover Dispenser covers the user's foot with a sanitary cover to effectively keep the indoor floor clean. No need to change shoes anymore. It is ideal for Food, Pharma, Biotech, hospital, clinic, show room etc.

- Easy to usage : Shoe covers can be added very quickly. Besides, you can add shoe covers any time you want by just checking through a window.
- Fast : There is no delay at all between each usage.
- No noise : There is very little noise during the usage.
