

SINCE 1978

OPTICS TECHNOLOGY

Manufacturer & Exporters of : LAB TESTING INSTRUMENTS

An ISO 9001:2015 CERTIFIED IEC 61010-1:2010
An ISO 10002:2018 CERTIFIED BS EN 12469:2000
An ISO 13485:2016 CERTIFIED ISO 29463-5:2022

STICKY MATS

OT-SM-100

Multi-Layered Sticky mats effectively capture containment particles from foot traffic and wheels before entering a critical environment. The sticky mats are composed of 30 easy to peel-off disposable sticky mat sheets which are especially designed to meet clean room needs and are suitable for microelectronics, pharmaceutical, medical, aerospace, food processing & packaging Industries.

Film Material : Low density polythene

Packing : 30 layers per set

Adhesive : Water Based

Available Size : 600mm x 900mm

Numbered layers to prevent wastage and enable tracking of remaining sheets
